

# Bolton Wanderers Open Day

Welcome to Burnden Park. We do hope you enjoy your visit and that you take the opportunity to look around our ground and its facilities and meet the players who will proudly be wearing the Bolton Wanderers shirts during the coming season. The reverse of this page is designed for autographs so make sure you obtain as many as possible today. This is the first Open Day we have held for several years. We want you to get to know the club and players because we need your wholehearted support at matches during the coming season. Relegation was a blow but that is all behind us now and we look forward to an exciting season and a determined effort to regain our rightful position in the first division.

Remember, this is *your* team in *your* town. Show how much you believe in us and want us to win by turning up at Burnden Park every home game and cheering the team on. Together we will achieve success.
